Steigerwaldt asked about the clerk signing the approved minutes. The clerk advised the board that when the minutes are approved she puts her name on the minutes. Only the approved minutes are put on the web site.

Steigerwaldt asked Jay Dick about the status of Northforest Road. Supervisor Dick advised the board that after getting the correspondence back from Attorney Harrold and reviewing the documents that were forwarded from Todd Jelinek's attorney he does not see where the town at this point is obligated to take it over as a town road unless the road is brought up to current standards per the 1998-1 Town Road Specification ordinance. It looks to him that the intent of the certified survey maps is that there is a shared interest of everyone living on that road in ownership and maintenance of the road. It does not appear that it was ever brought before the town for an acceptance as a town road at that time. The common law dedication was intended to declare the road as a town road and in this case by looking at all the notations on the certified survey maps it was not the intent of the developer to have it as a town road.

Steigerwaldt advised that in the past the board had passed an ordinance to accept highway aids. The town had passed a resolution to accept the Pickerel Lake Landing Road as a town road before that resolution had been passed.

Steigerwaldt advised that Lincoln County is set up to do the boat landings and they should start working on them next week. Greg Schoone is still scheduled to do West Shady Shore this year.

The reconstruction on Pickerel Creek will be put off until next year. Spring Creek culvert has been replaced. Mowing has just been completed.

Board discussed a computer for Jerry Jagmin. He just needs something basic. Supervisor Dick is checking into a used computer.

Supervisor Dick advised that he has not talked to Attorney Harrold about the Lund driveway. He was waiting to hear back from him regarding the Schenk contract.

Supervisor Nieman advised the board that Mr. Kamrath has been cleaning up his property and has made big progress.

Steigerwaldt discussed the retirement party for Gary Edwards and Bob Eisenman. He talked to Ron Brickner at Riversedge and was given a price of about \$4.50 a plate. There was a Steigerwaldt/Nieman motion to cap the cost at \$500.00. All ayes. Motion passed.
